Grinneabhat have confirmed that members can collect their work on Friday 7th March.

If you are unable to get to Grinneabhat to collect your work you **must** arrange for someone else to pick it up for you, Grinneabhat does not have any storage space for artwork. Do check in the WhatsApp chat someone may be able to help.

Any packaging that was protecting work, when it was delivered in January, was retained and placed in the upstairs storage area at Grinneabhat. This should be available to help wrap your work but please bring extra as some members' works were not fully wrapped.

Thank you for being part of our first exhibition in 2025.

Best wishes
