

Open Studios

H E B R I D E S

Free Art Monday is on Monday, 22nd July

Along with the Art Walk, posters, fliers and the brochure, etc. **Free Art Monday** will help raise the visibility of all our artists.

While not everyone will wish to join in and that is absolutely fine, the more the merrier! It would be lovely to see lots of found treasures popping up on our social media pages.

- Please parcel up a small piece of your artwork.
- It can be a picture, a piece of craftwork, some cards, etc.
- Include your business card and a bit about you and where you can be found on the OSH art trails.
- Attach the 'label' to the package and leave it either in a place near your studio where it will be found or somewhere in Stornoway and take a photo to post on Facebook/Instagram as a clue.
- You could also pop a flyer or a brochure in the package with the art.

I have made the 'label' single sided so you can print info about yourself on the back if you want.
